"FOR WAYS THAT ARE DARK, &c."

A typical Chinese dodge is being circumvented by the officials in Canton. It is known that the Board of Works has decided to remove more or less of the city wall, and, indeed, have already been at work on the undertaking. The Board has promised that all those whose shops or houses are being interfered with, or that may be torn down, will be indemnified according to the value of the property so indicated by the office of the deeds in the owner's possession. So it has apparently struck some of these owners that in this there is an opportunity for making a little out of the Government. They have, therefore, set about selling their property to buyers who are supposed to be giving more for it than it is worth, and, therefore, when the deeds are stamped, this bogus price will be demanded by the owner, according to the promises of the Government. It must be admitted that the scheme is rather clever, and typically Chinese. But the officials apparently have had their suspicions aroused by the number of transactions they have been called upon to stamp and pass in the yamen, and so have discovered what is being done. The result is that an order has been issued that no more deeds are to be stamped, and so no further transfers of property can be effected.

CHINA-SIAM STEAM NAVIGATION CO.

The Siam Observer understands that the Norwegian steamers Haldia and Halvard, now under charter by the China-Siam Steam Navigation Company, have been rechartered for another year at the rate of \$6,400 (Hongkong) each month. This is \$300 in excess of their last charter party. The steamers make between Bangkok, Hong Kong, Singapore and Swatow. The charter party was signed on March 25. The German steamer Berta, which used to be on the same route, and which has now been chartered for the last six months is also chartered by the same company and will be in service by the 15th of April.

D. V. CHALLENGE SHIRT AND GOLD MEDAL.
There was a large gathering of members of the Club and friends on Saturday afternoon when the prizes won were presented by Mrs. Anderson, President of the Club. Afterwards Mrs. C. W. Wright said that on the occasion of the annual prize distribution it was customary for her to say a few words in reference to the L. P. C. He was sorry to say that the membership had fallen off slightly, there being twelve members less than last year, but the number then was exceptionally high. They hoped, however, that the decrease was only temporary as the success of a club of that kind depended largely upon its membership. The weather, during the year had not been conducive to the promotion of outdoor sports. Some of the members had stuck valiantly to their shooting berths and others that the club was capable of some excellent shooting could be seen by the score-book. One member made up her mind to get the highest possible score before the end of the season, and he was pleased to say, she just managed to do so. "He merely mentioned that as an instance that perseverance was a necessity. He was sorry to say that he would be obliged to sever his connection with the club as he was going home in the autumn. He had handed to him a beautiful present for which he thanked the members most heartily. He would value it very highly. He had always been pleased to help forward the club in any way. Their thanks were due to Mrs. Anderson for kindly presenting the prizes, and to Mrs. Jordan, who was unfortunately giving up the secretaryship, and who had worked exceedingly hard throughout the meeting, in helping to make the meeting the success which it had proved."

THE LUGARD CUP.
The Hongkong Volunteers shoot for the Lugard Cup back place at King's Park Range on Saturday. For two years in succession the trophy has been won by Mr. S. J. J. and, had he been successful in making the highest score that afternoon, the Cup would have been his property. Mr. Henderson, of Taiwan, however, managed to beat him. The scores were: Mr. Henderson 45, Mr. S. J. J. 39, Mr. Young 27, Mr. Henderson 27, Mr. S. J. J. 26, Mr. Young 26, Mr. Henderson 19, Mr. Henderson 14, Mr. Young 7, Mr. Henderson 4.

THE GREAT RAYMOND.
The New York World writes the following verdict as to the ability of the famous illusionist who is to "mystify" us for a night on the Theatre Royal, beginning April 27th.
"The Great Raymond, America's cleverest magician, nearly demonstrated the fact to a large audience last night that the climax of perfection in the magical art has been attained."
Never before in the history of magic in New York have such stupendous illusions been shown.
